Acknowledgement

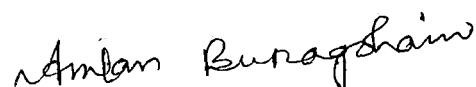

I take the opportunity to express my gratitude and thanks to my respected teacher Dr. Nayanmono Gogoi who remained as a constant guide and helped me with valuable suggestions leading to the successful completion of the project work.

I am also thankful to Prof. N. Karak, HoD, Chemical Sciences, Tezpur University and all my respected teachers for arranging such a project work and also for their valuable suggestions, guidance and for their support.

I am very grateful to Dr. Aswhini Kr Phukan & Mr. Ankur Guha for helping me in the theoretical calculation. I am also very thankful to our non-teaching staff for their kind help in carrying out analytical characterizations.

Last but not the least, I would like to thank my parents and all my friends for giving me their helping hands, everytime I required and encouraging me at every step to carry out my duties and also for their moral support that kept my spirit up during the work.
