

871

Studies on Natural Fibre Reinforced Urea- Formaldehyde Clay Nanocomposite

A Project Report Submitted to the
Department of Chemical Sciences
Tezpur University
For the partial fulfillment of degree of
Master of Technology
In
Polymer Science and Technology

Submitted by
Nondini Rajkhowa

M.Tech 3rd semester
School of Science & Technology
Department of Chemical Sciences
Roll No. CHT11001
Tezpur University
Tezpur, Napaam-784028
Assam

Carried out under the guidance of
Prof. Tarun Kumar Maji
Department of Chemical Sciences
Tezpur University
