# ACKNOWLEDGEMENT

During the course of dissertation, it has been a necessity for me to seek advice and help in various forms from my teachers and seniors. With pleasure I take this opportunity to express my heartfelt gratitude to all my teachers and well wishers.

Here, I take this opportunity to express my profound gratitude and deep regards to my supervisor, **Professor Swapan kumar Dolui**, Department of Chemical Sciences, Tezpur University, Tezpur, for his exemplary guidance, continuous supervision, benefitting advice, monitoring and constant encouragement throughout the course of dissertation. Without his guidance and persistent help this dissertation would not have been possible.

I also take this opportunity to express a deep sense of gratitude to Mr. Dhaneswar Das, Mr. Pranab Gogoi, Mr. Bhaskar Jyoti Saikia, Mr. Amarjyoti Kalita, Miss. Monalisha Boruah, Miss. Chandramika Bora and Miss. Shyamalima Sharma and for helping me in the course of the work.

I am obliged to all technical staff members, for the valuable information and for their cooperation during the period of my dissertation.

And finally I am very much thankful to all my classmate friends for their valuable advice, cooperation and support.
