## **ACKNOWLEDGEMENTS**

I express my heartiest thanks and profound gratitude to my supervisor Sadhan Mahapatra, Assistant Professor, Department of Energy, Tezpur University, for his utmost help and motivation in all stage of this work. His sound guidance has taught me the rudiments of the subject, helped me overcome challenges and defend the results in the best possible way. The most important aspect that I have learnt from my interactions with him is the technique of conducting a successful research in a time-bound frame. I am indebted to him for fruitful culmination of this work and look forward to continue receiving his guidance in future.

I am immensely grateful to Prof. D. C. Baruah, Head, Department of Energy, Tezpur University, for his proactive suggestions and the most generous support offered in times of need. His invaluable teachings, motivation towards perfection and rigorous supervision have instilled in me the discipline to persistently perform towards my goal.

I would like to offer my warm regards and sincere thanks to the other faculty members of the Department of Energy, viz., Prof. S.K. Samdarshi, Prof. D. Deka, Dr. R. Katak, Mr. P. K. Choudhury for their invaluable teachings and kind guidance during the entire M. Tech. Programme. I am also thankful to Prof. D.K Bhattacharyya, Dean, School of Engineering, for extending his help and support and support whenever required.

I would like to unflinchingly acknowledge the valuable suggestions, help and assistance of Mr. T. Borah, Technical Assistant and Mr. T. Lahon, Laboratory Assistant of the Department of Energy.

Special thanks go to my friends of the Energy Efficiency and Building Energy and Biomass Gasification Laboratory Palash and Rishiraj for their valuable suggestions and generous help; Siddhartha, Pallavi, Plabita, Bismita for their kind co-operation and moral support which have led to the timely completion of the work.

The support of the staff, senior colleagues and all my friends of the Department of Energy has made my work a lot easier and comfortable. I heartily acknowledge them for their helpfulness and goodwill.

Last, but never the least, my indebtedness shall remain towards my family members for their constant encouragement and support in all possible respects throughout the duration of my M. Tech. Programme.
