ACKNOWLEDGEMENTS

I am extremely happy to express my thanks and profound sense of gratitude to Prof. Sanjoy Kumar Samdarshi, for supervising me to carry out this work. Without his help I could not have brought this work to the present form. His valuable suggestions, persistent encouragement, creative criticism and scientific approach throughout the duration of my investigation help me overcome the challenges of the present work.

I am grateful to Prof. Deben Chandra Baruah, Head of Department Energy, Dr. D. Deka, Dr. Rupam Kataki, Dr. Dilip Bora and Mr. S. Mahapatra, Dept. of Energy, Tezpur University for their official initiatives and valuable suggestions.

I am grateful to Mr. P. K. Chaudhury, Technical Officer, Mr. T. Borah, Mrs. P. Saikia Talukdar, Department of Energy, Tezpur University, for their co-operation in carrying out some of my experiments.

I am very thankful to Mr. Samrat Paul and R.G Nair (Research Scholar, Solar and Energy Materials Lab.) for instructing me with valuable lessons during my project work.

I also acknowledge my friends, colleagues, non teaching staff and lab mates for their support and encouragement.

Last but not least, I gratefully acknowledge my parents, brothers and my sister for their constant encouragement and support whenever needed.
