ACKNOWLEDGEMENTS

I would like to thank all those people who made this M. Tech. thesis possible and an unforgettable experience for me. At this moment of accomplishment, first of all I pay respect to my internal supervisor **Sadhan Mahapatra**, Assistant Professor, Department of Energy, Tezpur University, Tezpur. This work would not have been possible without his guidance, support and encouragement.

I am also extremely indebted to my external supervisor **Prof. C. S. Solanki**, Associate Professor, Department of Energy Science and Engineering, Indian Institute of Technology Bombay, Mumbai for providing necessary resources to accomplish my project work. I am very much thankful to him for picking me up as a student at the critical stage of my course. Under his guidance I have successfully overcome many difficulties and learned a lot. His unflinching courage and conviction will always inspire me and I hope to continue to work with his noble thoughts. I can only say a proper thanks to him through my future work.

I also thank to Department of Energy, Tezpur University for their support and assistance, especially the Head of Department, **Prof. D. C. Baruah**. I also wish to express my sincere gratitude to **Prof. M. Bhuyan**, Dean, School of Engineering for his help at various stages during the course of my present project work.

It's my pleasure to acknowledge **Prof. S. K. Samadarshi, Dr. R. Kataki, Dr. D. Bora, Prof. D. Deka** and **Mr. P. K. Choudhury**, Department of Energy, Tezpur University for their constant moral support.

My thanks go in particular to **Mr. Vishnu Kant Bajpai** with whom I started this work and many rounds of discussions on my project with him helped me a lot. This list is incomplete without acknowledging **Mr. Alok Mani Tripathi, Mr. Sudeep Sarkar, Leeton Basak and Rajesh K. Bhamu** who all are the source of inspiration for me in my early days and who taught me many things.

Last but not least, I would like to pay high regards to my Parents, Brother and my Sister for their sincere encouragement and inspiration throughout my research work and lifting me uphill this phase of life. I owe everything to them. Besides this, several people have knowingly and unknowingly helped me in the successful completion of this project.

(Ashish Kumar Singh)
