ACKNOWLEDGEMENT

I have involved many people in this project. At the very outset, I would like to thank Dr. Kedilezo Kikhi, Head of Department, Sociology, Tezpur University for granting me permission to undertake this project, who also happens to be my supervisor. I would like to express my sincere gratitude & thanks for his valuable guidance and timely feedback during the entire process of my research. I would also like to thank other faculty members in the department for their help & suggestions.

I would like to thank Mr. Parama Das, the Headman of Senchwa village for his unwavering support, flexibility, and reliability through multiple time zones, and dozens of meetings. His sincere help throughout my research has made things easy, enabling me to carry out my research smoothly in the field, for which I am very grateful.

I would also like to thank my family and friends who have supported me throughout this MA programme and the dissertation writing process. I appreciate the support I have received in terms of e-mails and phone conversations from all those far and near. Words will not be enough to express my sincere gratefulness to all of them.

Finally, I would like to thank my mother, who has been my biggest supporter and best friend. Whatever I have accomplished in my life till now, would never have been possible without her love & support.
