ACKNOWLEDGEMENTS

I wish to express my sincere gratitude to all those without whose support and guidance this project would not have been possible. First and foremost I thank my Almighty Allah for providing me with everything that I required in completing this project.

I would like to offer my indebtedness to the Department of Sociology for giving me this opportunity to carry out the project as part of the MA programme.

This project would not have been possible without the constant guidance and support of my supervisor, Dr. Kedilezo Kikhi, Head of the Department of Sociology. I am truly indebted to him for the time and encouragement he has given me in spite of his busy schedule. I offer my sincere gratitude to one of the ex-faculty member of the Department of Sociology i.e. Salah Punathil for his valuable advice and the time he has spared for me.

I also offer my thanks to all the faculty members of the Department of Sociology for their support.

Last but not the least; I would like to express my sincere thanks to my family, my lovable friends, my sister, brother-in-law, niece and nephew and to all the village members who have taken the pain in providing me with all the relevant information to complete this project.
