ACKNOWLEDGEMENTS

I take the privilege to express my sincere gratitude to all those without whose support and guidance this project would not have been possible.

First and foremost, I would like to offer my indebtedness to the Department of Sociology for giving me the opportunity to carry out the project as a part of the M.A. programme.

This project would never have been possible without the constant guidance and support of my supervisor, Dr Amiya Kumar Das. I am truly indebted to him for the time and encouragement he has given me inspite of his busy schedule.

I also extend my heartfelt gratitude to Dr Kedilezo Kikhi, Head of the Department and all the faculty members of the Department of Sociology for their help and support.

Last but not the least, I would also like to thank my family members, my friends and all the interviewees for taking out time in providing me with all the relevant information to complete the project on time.
