## **ACKNOWLEDGEMENT**

I am most grateful to my supervisor, Subhadepta Ray, Department of Sociology, Tezpur University, for his constant guidance, support and expertise, without which this dissertation would not have been possible.

I would like to express my heartfelt gratitude to Dr. Apurba Saha, Department of Social Work, Tezpur University, for his generous guidance and support.

I would like to thank Dr. Sonia P. Deuri and Dr. Sobhana H., Department of Psychiatric Social Work, LGBRIMH, who provided me with the much needed instructions for getting the permission to conduct the study at LGBRIMH as well as guidance and support throughout the fieldwork. I also express my gratitude to Dr. Abhijit Kalita for referral of patients with depression.

I would like to thank the participants who volunteered to be part of this study, the medical professionals at LGBRIMH for their valuable time and support and my roommate, Barnali Nath for accompanying me to the field-site several times.

I express my gratitude to all my teachers for their support and encouragement.
