## ACKNOWLEDGEMENT

As a part of my educational curriculum I have undertaken this project work. A lot of hurdles were encountered during my work and I recall many tips gathered from respected teachers, professors and amateurs of all classes to clear all this.

I am extremely happy to express my thanks and profound sense of gratitude to Dr. D. Deka, Associate professor, Department of Energy, and Mr. Sadhan Mahaptra, Assistant professor, Department of Energy, Tezpur university, for their valuable guidance and suggestion, persistent encouragement, creative criticism and scientific approach throughout the duration of my investigation.

I am grateful to Prof. D.C. Baruah, HOD and Prof. S.K. Samadarshi, Department of energy for their valuable suggestions and guidance.

I also acknowledge my special thanks to Mr. S.J. Hazarika, Assistant Director, NPC, Guwahati for his valuable suggestions, all kinds of support during the entire work of investigation.

I would like to offer my sincere thanks to Mr. A. Thakur, Regional Director, NPC, Guwahati for providing me the opportunity to carry out the project.

I must acknowledge my special thanks to Mr. P. Choudhury, Technical Officer and Mr. T. J. Borah, Technical Assistant of Tezpur University for providing all necessary equipment without which the work would not have been completed.

Last but not least, I am grateful to entire staff of LTPS, Lakwa, the HUB and the DC court, Nagaon for their kind and active co-operation on every sphere beyond their routine works. Their great contribution towards successful completion of my venture will be recalled for ever.

DIPANKAR KALITA
