## **ACKNOWLEDGEMENT**

First of all, I take this opportunity to express my profound gratitude and deep regards to my supervisor, Dr. Rupam Kataki, Associate professor, Department of Energy, Tezpur University, Assam, for his exemplary guidance, monitoring, constant support and encouragement throughout my M. Tech project. The blessing, help, guidance and advice given by him, is the key factor of the success of my project.

I am also grateful to Prof. D. Deka, Prof. D.C. Baruah, Dr. Pankaj Kalita, Mr. S. Mahapatra and Mr. P.K. Choudhury, Department of Energy, Tezpur University, Assam, for their official initiatives and valuable suggestions during my project period.

My Special and heartiest thanks goes to Mr. Rahul singh Chutia, of the Department of energy for helping me throughout my M.tech project work. He was always guiding me and encouraging me during my experimental work.

I am also thankful to Miss Neon Jyoti Bordoloi, Miss Rumi Narzari, Mr Debashis Sut, Mr Deepak Kr Brahma, Mr Deebojit Goggoi, Mr Dibyojyoti Brahma, Dr Mridhusmita Mishra and Miss Ruprekha Saikia for their valuable suggestions and helps during my project work.

I would also like to thank Mr Troloikya Lahan, Mr Tapanjit Borah and all the staff members of department of Energy who helped me directly or indirectly in pursuit of my project work.

I am grateful to Tea Board of India, Tezpur, for their contribution towards my successful completion of M. Tech project.

I would like to thank all of my M. Tech Energy Department batch mates, Tezpur University for their kind corporation and made me stay happy during my two years of M. Tech.

Last but not the least I place a deep sense of gratitude to my parents, all mighty, brother, sisters and friends who have been constant source of inspiration throughout this project.
