ACKNOWLEDGEMENTS

I express my heartiest thanks and profound gratitude to my supervisor Sadhan Mahapatra, Assistant Professor, Department of Energy, Tezpur University, for his utmost help and continuous support for the entire duration of this project. His valuable guidance has helped me overcome challenges and justify the results in the best possible way. I shall be ever thankful to him for his guidance at each and every step of this project and look forward to continue his guidance in future.

I am thankful to Prof. D.Deka, Head, Department of Energy, Tezpur University, for his support and relevant suggestions during the entire project period. I would like to offer my warm regards and sincere thanks to the faculty members of the Department of Energy, viz., Prof. D.C. Baruah, Dr. R. Kataki, Dr. P. Kalita and Mr. P.K. Choudhury for their invaluable teachings and kind guidance during the entire M.Tech. Programme. I am also thankful to Prof. D.K. Bhattacharyya, Dean, School of Engineering, for extending his help and support whenever required.

I am highly grateful to Dr. Manoj Kumar Singh, Post Doctoral Fellow, University of Liege, Belgium, for his kind guidance and the support offered in times of need which helped me in timely completion of the project.

I would like to unfailingly acknowledge the valuable suggestions, help and assistance of Mr. Tapanjit Bora and Mr. Troilokya Lahon of the Department of Energy.

I am immensely thankful to the members of Energy Efficiency, Building Energy and Biomass Gasification laboratory. Pranay for his kind help and support whenever required; Rumi and Kabyashree for their cooperation and moral support during my entire project. I would specially like to thank Romen for his help and support.

I would like to acknowledge all my friends, seniors and the staff of the Department of Energy for their kind support and interactions that made my work a lot easier and convenient.

Lastly, but never the least, I shall ever remain grateful to my family members for their constant encouragement and never ending support throughout the duration of my M. Tech. Programme.
