ACKNOWLEDGEMENT

This work is a part of Department of Science and Technology (DST) sponsored research project entitled “Instrumented Solar Hot Air Generator (ISHAG) for optimizing thermal load in tea processing”. Therefore, I would like to extend my sincere gratitude to DST and also our collaborative partner, Biogen Industries (P) Ltd. for their continuous support and commitment which helped in completion of my project.

ACKNOWLEDGEMENT

The contribution and co-operation of many people are required for the successful completion of any experimental work. So, it is my pleasant duty to express my heartiest thanks to all the people who were directly or indirectly involved in the completion of my project.

I express my heartiest thanks and profound gratitude to my supervisor Prof. D.C. Baruah, Department of Energy, Tezpur University, for his utmost help and motivation in all stages of this work. His sound guidance has taught me the rudiments of the subject, helped me overcome challenges and defend the results in the best possible way. I could not have imagined a better supervisor and mentor for my M.Tech study.

I am immensely grateful to Prof. D. Deka, Head, Department of Energy, Tezpur University, for his official initiatives, kind guidance and the most generous support offered in times of need.

I would like to offer my warm regards and sincere thanks to the other faculty members of the Department of Energy, viz., Dr. R. Kataki, Dr. P. Kalita, Mr. Sadhan Mahapatra, Mr. P.K. Choudhury, Dr. Nabin Sharma and Dr. Biraj Kumar Kakoti for their invaluable teachings and kind guidance during my entire M.Tech Programme.

I am also thankful to Mr. Doljit Borah, Miss. Abhishruti Bhuyan, Mr. Champak Talukdar, JRF, Department of Energy, for extending their help and support whenever required. Their immense knowledge really helped me a lot.

I want to thank Mr. Rupam Patowary, Mr. Dipam Patowary and Miss. Sampriti Kataki, Research Scholars; Mr. Ranku Hazarika, Mr. Gunajit Dev Sarma, Project Assistant and my lab mate Mr. Biplobjyoti Saikia, M.Tech, Energy Conservation Lab, Department of Energy for their immense help from time to time during my M.Tech project.

I would like to unfailingly acknowledge the valuable suggestions, help and assistance of Mr. Biswajit Gogoi and Mr. Tapanjit Bora of the Department of Energy.

The support of my seniors, all my friends and my juniors of the Department of Energy has made my work a lot easier and comfortable. I heartily acknowledge them for their valuable presence and interactions.

Last, but not the least, my gratefulness remains towards my parents, my sisters Kripalini and Rhituparna for their constant encouragement and support in all possible respects throughout the duration of my M.Tech Programme.
