ACKNOWLEDGEMENTS

I express my heartiest thanks and profound gratitude to my supervisor Mr. Sadhan Mahapatra, Assistant Professor, Department of Energy, Tezpur University, for his utmost help and motivation in all stages of this work. His sound guidance has taught me the rudiments of the subject, helped me overcome challenges and defend the results in the best possible way. The most important aspect that I have learnt from my interactions with him is the technique of conducting a successful research in a time-bound frame. I am indebted to him for the fruitful culmination of this work and look forward to continue receiving his guidance in future.

I am immensely grateful to Prof. D.C. Baruah, Head, Department of Energy, Tezpur University, for his official initiatives, proactive suggestions and the most generous support offered in times of need. His invaluable teachings, motivation towards perfection and rigorous supervision have instilled in me the discipline to persistently perform towards my goal.

I would like to offer my warm regards and sincere thanks to the other faculty members of the Department of Energy, viz., Prof. S.K. Samdarshi, Prof. D. Deka, Dr. R. Kataki, Dr. D. Bora and Mr. P.K. Choudhury for their invaluable teachings and kind guidance during the entire M.Tech. Programme. I am also thankful to Prof. M. Bhuyan, Dean, School of Engineering, for extending his help and support whenever required.

I am highly grateful to Dr. Gazi Ameen Ahmed, Associate Professor, Department of Physics for being my guardian and helping me in times of need.

I would like to unfailingly acknowledge the valuable suggestions, help and assistance of Mr. T. Borah, Technical Assistant and Mr. T. Lahon, Laboratory Assistant of the Department of Energy.

Special thanks go to my colleagues of the Energy Conservation Lab. Mr. Moonmoon Hiloidhari for his valuable suggestions, generous help and patient supervision whenever required; Antara Brahma, Arunjyoti Nath, Bikash Kr. Sahu, Kaushik Hazarika, Hemantajeet Medhi, Maumita Chakraborty and Sampriiti Kataki for their kind co-operation and moral support which have led to the timely completion of the work.

The support of the staff, senior colleagues and all my friends of the Department of Energy has made my work a lot easier and comfortable. I heartily acknowledge them for their helpfulness and goodwill.

Last, but never the least, my indebtedness shall remain towards my family members for their constant encouragement and support in all possible respects throughout the duration of my M.Tech. Programme.
