Acknowledgment

Firstly, I would like to express my sincere gratitude to my supervisor, Prof. Shyamanta M. Hazarika, for his expert guidance, support and encouragement. Without his help, I would never have been able to make any progress in my thesis work entitled A Cognitively Enhanced Collaborative Control Architecture for Intelligent Wheelchair : Formalization & Evaluation. The brainstorming sessions are going to stay inside my heart forever. These discussions prompted me to think beyond the obvious and pushed me to deliver my best.

Thank you Sir for bestowing enthusiasm, perfectionism and voraciousness into my outlook. It is a pleasure to convey my gratitude to Adity Saikia, Research Scholar of CSE department for helping me during my project work.

I am especially indebted to "Maa" and "Babuji" for their love, sacrifice, and support.
