Acknowledgements

During the course of this project, I received the guidance, help and encouragement from many. This acknowledgement is a small tribute to all of them. Thank you all!

At the very outset, I acknowledge the help and guidance of my supervisor, **Mr.Siddhartha Sankar Satapathy** for giving me the opportunity to work under him. It would be hard to comprehend the completion of this project without him by my side. His ability to analyze and understand the problems is amazing to say the least, and has enriched my understanding and thought process.

Thanks to **Dr. Utpal Sharma**, Head ,department of Computer Science & Engineering, for making available to me all resources available at their disposal. I am equally thankful to my classmates and the other faculty members for their continued support and encouragement.

I will ever remain indebted to my parents for giving me the freedom to take my own decisions as also my brother Ajith Kumar, sisters Sirisha, Harisha and puppy for their faith in me. Thanks to my friends Rofiqul, Hema for the support in laboratory work and special thanks to Nityajit and Nazrul for the support in the hostel. At last, a big thank you to all my friends – you are my most prized possessions.

-Gowtham Gandhi
