Acknowledgement

I would like to express my profound gratitude to Prof. Shyamanta M. Hazarika for giving me the opportunity to work under him and providing me his expert guidance and support throughout the course of this project. I am grateful to him for his encouragement which gave me confidence to go on when things were rough.

A special thanks should go to Dipika Boro for her comments on parts of this dissertation. I also thank Anshumali Baruah and Asif Iqbal Haque for having pointed out several research papers, PhD theses and other resources relevant for my work.
