Acknowledgement

Its my great pleasure to show due regards to persons involved in bringing out successful completion of the thesis work entitled A Grid Based Quorum Energy-Saving MAC Protocol Design for Wireless Sensor Networks undertaken by me as a prerequisite towards partial fulfillment for the award of Master of Technology with specialization 'Information Technology' at Tezpur University.

I am highly grateful to Dr. Shyamanta M.Hazarika, Head of the Department, Department of Computer Science & Engineering, Tezpur University, for his constant support in providing necessary facilities during the course of the work. I extend my sincere thanks to other faculty members, research scholar and laboratory staff of the Department, for their generous help in various ways for the completion of the work.

I would like to express my deep sense of respect and gratitude towards my advisor and guide Dr. Dinesh Dash, who has been the guiding force behind this Project work. I am greatly indebted to him for his constant encouragement, invaluable suggestions and support from an early stage of this research and providing me extraordinary experiences throughout the work. I consider it as my good fortune and proud to record that I had the opportunity to work with such a wonderful person.

I am especially indebted to my parents for their love, sacrifice, and support. I would like to thank for all the thoughtful and mind stimulating discussions we had, which prompted me to think beyond the obvious. Finally, I extend my gratefulness to all those who are directly or indirectly involved in this work.
