Acknowledgement

*I am deeply and heartily grateful to my **parents**, who not only allowed me to do this course but also encouraged, prayed and wished me a lot for my all round success. I will remain grateful for their sacrifices. At the same time I can't forget my family members who always prayed and wished for me. I do pray for their long, healthy, happy and prosperous life.*

*I extend my hearty thankfulness and gratitude to my internal project guide **Mr. Siddhartha Sankar Satapathy**, Assistant Professor, Department of Computer Science and Engineering, Tezpur University, for his sincere guidance, scholarly supervision, constructive criticism, fruitful and valuable suggestions along with constant support and encouragement throughout the project work. He always evinced keen interest in my work through the entire course of the project. His profound experience, incomparable expertise, along with kind supportive nature has been a substantial asset for me throughout my learning experience and also boosts my morale to face new challenges. In spite of his busy schedules and overwhelming responsibility, he always extended full attention, patient hearing, inspirational guidance which in some*

way or the other have largely contributed to the conceptualization of the form and the content of the dissertation and I will remain ever grateful to him.

*At the very outset I would like to express my sincere thanks to **Prof. D.K. Bhattacharyya**, Head of the Dept. of Computer Science and Engineering, Tezpur University, for providing me every possible facility and the opportunity to carry out the project work in the Department of Computer Science and Engineering of Tezpur University.*

I would like to take the opportunity to express my deep sense of gratitude to the entire faculty members for their valuable suggestions, references, and encouragement. I also extend my heartfelt thanks to all my classmates and my juniors for their help and cooperation.

*Lastly but not the least, I am thankful to **my grandparents, mili, hemanta, bibhuti, subhranshu, latika, susmita**, without their vision, stimulation, unequivocally support, sacrifice and blessing I would not be here in the long way of my career.*

Finally I dedicate this work to my parents and my loving ones.
