# ACKNOWLEDGEMENTS

The euphoria and satisfaction of the completion of this project would be incomplete without acknowledging the contribution of all those people who have helped us with their valuable suggestions and inputs from the very beginning.

First of all, we express our gratitude and regards to our esteemed guider, Mr. Bhogeswar Bora, for his careful guidance and constant supervision throughout the project without whom it would be impossible for us to work in this project. He always evinced keen interest in our work. His constructive advice and constant motivation have been responsible for the successful completion of this project.

We are also indebted to Prof. Dhruva Kumar Bhattacharyya, H.O.D, Computer Science & Engineering and all the faculty members for giving us this opportunity to do this work.

Last but not least, we are grateful in measure beyond words to our friends and family members for their kind co-operation, best wishes and moral support during the entire period.

Champak Das

Dhrubajyoti Das
