ACKNOWLEDGEMENT

I would like to express a deep sense of thanks and gratitude to my project guide Mr. Siddhartha Sankar Satapathy for guiding me immensely through the course of the project. He always evinced keen interest in my work. His constructive advice and constant motivation has been responsible for the successful completion of this project work.

My sincere thanks go to Prof. Utpal Sharma, Head, Department of Computer Science and Engineering for his co-ordination in extending every possible facility for the completion of this project work.

Also, I would like to thank all my classmates for their highly motivation and support to completion of this project work.

Finally I would like to thank all of those who had help0ed directly or indirectly toward the completion of this project work.

Tezpur University

Siddhartha Gupta
