Acknowledgement

It's my great pleasure to show due regards to persons involved in bringing out successful completion of the thesis entitled "*An Enhanced Correlation Measure Corresponding to Biological Significance*" undertaken by me as a prerequisite towards partial fulfillment for the award of the degree of *Master of Technology* with specialization '*Information Technology*' at Tezpur University.

I take this opportunity to express my profound gratitude and deep regards to my advisor and guide **Prof. Dhruva K. Bhattacharya**, Professor, Department Of Computer Science & Engineering, who has been the guiding force behind this project work. I am greatly indebted to him for his constant encouragement, invaluable suggestions and support from an early stage of this research and providing me extraordinary experiences throughout the work. I consider it as my good fortune and proud to record that I had the opportunity to work with such a wonderful person.

I am highly grateful to Hasin A. Ahmed, Research Scholar, Department of Computer Science & Engineering, Tezpur University, for providing me with his much needed support during my project work.

I extend my sincere thanks to other faculty members and laboratory staff of the Department, for their generous help in various ways for the completion of the work.

I am especially indebted to my parents for their love, sacrifice, and support. I would like to thank for all the thoughtful and mind stimulating discussions we had, which prompted me to think beyond the obvious. Finally, I extend my gratefulness to all those who are directly or indirectly involved in this work.
