ACKNOWLEDGMENT

I take this opportunity to express a deep sense of gratitude towards my guide, Dr. Utpal Sharma, Associate Professor, Department of Computer Science & Engineering, for providing excellent guidance, encouragement and inspiration throughout the project work. At the same time, I must thank Mr. Nabanath Saharia, a research scholar, Tezpur University. Without his invaluable guidance, this work would never have been a successful one.

I would like to thank my family and friends for their love and support which always have been a source of my inner strength. Last but not the least; I would also like to thank all my classmates, all faculty members of the department for their valuable suggestions and helpful discussions.
