ACKNOWLEDGEMENT

I would like to express my deep gratitude and heart-felt thanks to my supervisor **Dr. S.M. Hazarika** for his guidance, encouragement and gracious support throughout our work. His valuable suggestions, effective co-operation, co-ordination and encouraging interactions were a great driving force for us to carry out this research work. The joy and enthusiasm he has for his research was contagious and motivational for us. It has been an honor to work under his able guidance.

My sincere thanks go to **Dr. U. Sharma**, Head, Department of Computer Science and Engineering, and to other faculty members of the department for their co-ordination in extending every possible facility for the completion of this project.

Also thanks to my parents for their motivation and support. I must thanks to all my classmates for their highly motivation and support to completion of this project.

Finally, I would like to thank all of those who had helped directly or indirectly towards the completion of this project.
