ACKNOWLEDGEMENT

We express our deep and sincere gratitude to Dr. Bhabesh Nath, Associate Professor, Tezpur University, Department of Computer Science and Engineering, Tezpur University, Napam, Tezpur, who has been our supervisor since the beginning of this study as well as the project. This project had been far beyond completion without his exquisite support. We are greatly indebted for his valuable, constructive and critical guidance throughout the tenure of this project.

We would also like to express our solemnized gratitude and thanks to all the teachers of Tezpur University who had been by our side and pouring their valuable advice and encouragement. We are also thankful to them for their help in carrying the system testing and implementation and as well as in every step of the project.

Last but not the least; we are also thankful to our batch mates for their kind co-operation during the entire process. Also thanks to our parents for their motivation and support.

Finally we would like to express our thanks to Dr Utpal Sarma (Head of the Department, CSE Department, Tezpur University) for granting us the permission to do the project.
