Acknowledgements

It is my great pleasure to show due regards to persons involved in bringing out my successful completion of the project work entitled **“Clustering Based Image Segmentation”** undertaken by me as a prerequisite towards partial fulfillment for the award of M.Tech in Information Technology at Tezpur University.

It would not possible for me to achieve success with my effort alone. There were a lot of people who extended their supportive hands towards me in the way of making my work a success.

First of all my heartiest gratitude goes to my project guide Dr. Rosy Sarmah, Assistant Professor of Computer Science & Engineering , Tezpur University for her excellent guidance and valuable suggestion during the course project.

Last but not the least I am also thankful to my class mates for their kind cooperation during the entire process. I would like to acknowledge everyone who contributed directly or indirectly for the fulfillment of this project work.
