## ACKNOWLEDGEMENT

Gliding down the days of the development of the project entitled “**Community Information Portal**” I share a thought of giving an ovation to all the people for their support, valuable advice and guidance that has helped me in carrying out this project.

First of all, I would like to convey my thanks to **Dr. Utpal Sharma**, Associate Professor and Head of the Department, Department of Computer Science and Engineering, Tezpur University, for allowing me to carry out the project “**Community Information Portal**”.

At the very outset, I take the opportunity to offer my heart full thanks and sincere gratitude to **Prof. Smriti Kumar Sinha**, Professor, Department of Computer Science and Engineering, Tezpur University, for offering his graceful guidance and support in every step of the project work without which it would have been impossible to fulfill the target.

I would like to express my heartfelt thanks to all the faculty and technical staff for their help and support during the project. I would also like to thank my friend, Dilip Sonowal for his valuable help, view and constant encouragement throughout the entire project period.
