

## **ACKNOWLEDGEMENT**

Gliding down the days of the design and implementation of the project entitled “**Context Based Word Error Detection In Assamese Speech Recognition**”. I share a thought of giving an ovation to all the people for their support, valuable advice and guidance that has helped me in carrying out this work.

At the very outset, I offer my heart full thanks and gratitude to Dr. Utpal Sharma, Associate Professor and Head of the Department, Department of Computer Science and Engineering, Tezpur University, for his guidance and help in every step of the project work without which it would have been impossible to fulfill the target.

I offer my heart full thanks and gratitude to S. ShahnawazUddin, Department of EEE, IIT Guwahati for his continuous help and support and Dr. Manoj Kr. Deka, Gauhati University for his valuable suggestions.

I take the opportunity of expressing my deep sense of gratitude to the entire faculty for their valuable suggestions, references and encouragement.

Finally I would like to thank my family and all of my friends for their valuable help, views and constant encouragement throughout the entire project period.
