## Acknowledgement

It is a great pleasure to show due regards to persons involved in bringing out successful completion of my project work as a prerequisite towards partial fulfillment for the award of Master of Technology in Information Technology. It would not be possible for me to achieve success with my effort alone. First of all my heartiest gratitude goes to my project guide **Mr. Debojit Boro**, Assistant Professor, Department of Computer Science and Engineering, Tezpur University for his excellent guidance and valuable suggestion during the course project.

I owe a debt of deepest gratitude to my project co-guide **Prof. Dhruba Kumar Bhattacharyya**, Dean, School of Engineering, Tezpur University, who had been a source of inspiration and for his excellent guidance and valuable assistance in the project work.

My sincere thanks goes to **Prof. Utpal Sharma**, Head, Department of Computer Science and Engineering and other faculty members of the department for their support during this project. I would also like to express my solemnized gratitude and thanks to all my friends who had been by my side and pouring their valuable advice and encouragement. I am also thankful to them for their help in carrying the survey and implementation and as well as in every step of the project.
