CERTIFICATE

This is to certify that we have examined this report on "DDoS ATTACK DETECTION USING ENTROPY" and here by accord or approve of it as a study carried out and presented in a manner required for its acceptance and fulfillment for the Bachelor Degree (Computer Science & Engineering) for which it has been submitted by

Khusboo Tiwari (CSB09023)

Rajlakshmi Saikia (CSB09053)

This approval does not necessarily accept every statement made, opinion expressed or conclusion drawn as recorded in this report. It only signifies the acceptance of this report for which it has been submitted.

The Viva-Voce examination of above candidates of 8th semester B.Tech (Computer Science & Engineering) of their project has been held on 27th May, 2013 and found satisfactory.

DECLARATION

We hereby declare that the project work entitled "DDoS ATTACK DETECTION USING ENTROPY" is a record of an original work done by us under the guidance of Dr. D.K. Bhattacharya and this project work is submitted in partial fulfillment of the requirements for the award of the degree of Bachelor of Technology in Computer Science& Engineering.

The results embodied in this thesis have not been submitted to any other University or Institute for the award of any degree or diploma.

ACKNOWLEDGEMENT

This project would not have been possible without the kind support and help of many individuals. We would like to extend our sincere thanks to all of them.

We are highly indebted to our guide Dr. D.K. Bhattacharyya, Professor, Dept. of Computer Science and Engineering, Tezpur University, Tezpur for his guidance and constant supervision as well as for providing necessary information regarding the project & also for his support in completing the project.

We would also like to express our gratitude towards our parents & friends for their kind cooperation and encouragement which helped us in completion of this project.
