Acknowledgment

I express my deep and sincere gratitude to Dr Dhruba Kumar Bhattacharyya, Professor, Department of Computer Science and Engineering, Tezpur University, Napaam, Tezpur, who has been my supervisor since the beginning of this study as well as the project. This work had been far beyond completion without his exquisite support. I am greatly indebted for his valuable, constructive and critical guidance throughout the tenure of this project.

I would also like to express my solemnized gratitude and thanks to members of my lab and all my friends who had been by my side and pouring their valuable advice and encouragement.
