

## **ABSTRACT**

The OnlineScholarship Claim Submission System isa database tool. In this system, students will submit their claim online by logging to the account provided for the purpose in the Tezpur University website.On submission of required information, a personnel ID number will be allotted to the applicant. On later stage they will know the status of their claim through the ID number.Thisssystem will make it simple to maintain the record of different type of scholarship. This system will be make the Scholarship Claim more easy to claim, view status and other works .

After claiming scholarship by a student the Head of the Department will make verification of the attendance and other relevant information and forward the claim form to the COE with his comment in prescribed columns. The valid claims will be sent to the COE's account along with a hard copy for approval. After approval from the COE, the claims will be forwarded online to account of Finance Section. Then the Finance Section will make necessary verification of the same with the claims forwarded by the COE. After verification, the scholarship amount against accepted claim will be transferred to the bank account of the student(s) concerned.

This system will minimize the number of students coming to different offices for information relating to scholarship.
