ACKNOWLEDGEMENT

I take this opportunity to express my deepest appreciation to all the people who have been instrumental in successful completion of my project work entitled "Detection of Wormhole Attack in Adhoc Routing Protocol"

First and foremost, I would like to extend my heartfelt gratitude to my project guide Prof. Nityananda Sarma, Professor, Department Of Computer Science And Engineering, Tezpur University, for giving me the opportunity to work under him. If it was not for his ample guidance and constant supervision throughout the course of my work, this project would not have materialized. I am highly indebted to him for the same.

My sincere thanks go to Prof. Utpal Sharma, Head, Department Of Computer Science and Engineering, for his co-ordination in extending every possible facility for this project.

I would also like to thank Mr. Partha Kakoti and Mr. Nabajyoti Medhi, for providing me with valuable information related to my project work, which proved crucial in the successful completion of this project. Special thank also goes to Mr. Ajay Kr. Sharma, Technical Assistant for helping me in coordinating the lab equipments as per my requirements.

Last but not the least, my thanks and appreciation goes to all the people who have directly or indirectly provided full support towards the completion of this project within the limited time frame.

Sourav Hazarika
