Acknowledgement

First of all, I would like to thank my guide, Dr. Utpal Sharma, Professor, Department of Computer Science & Engineering, for his encouragement and support throughout the progress of the project. I am thankful to him for giving me innumerable valuable suggestions which helped me to maintain focus. I am thankful to him for his availability while clearing any confusion.

I would also like to thank Mr. Chetan Ganjihal, founder of Humdinger Labs Pvt. Ltd Bangalore, who motivated me to take up the topic of text mining as a project. His suggestions and valuable inputs were of great help to me.

For those unknown or unacknowledged names which I am not able to mention or memorise here but which might have contributed to this work in whatever way, I also beg indulgence.
