

DECLARATION BY THE CANDIDATE

I hereby declare that the research work entitled “*A Greener approach for the synthesis of FePt contrast agent and its relative biocompatibility*” has been carried out by me under the supervision of **Mr. Eeshan Kalita** at the Department of Molecular Biology and Biotechnology, Tezpur University, Assam for the partial fulfillment of the degree in **Master of Science in Molecular Biology and Biotechnology**. This work done is original and no part of this thesis has been submitted to any other degree or diploma of any University.

CERTIFICATE BY THE HEAD OF DEPARTMENT

This is to certify that Md.Minhaj Ansari, student of the Department of Molecular Biology and Biotechnology, Tezpur University, Assam has successfully completed the project work, entitled "*A Greener approach for the synthesis of FePt contrast agent and its relative biocompatibility*" as a Part of partial fulfillment of his degree of science in molecular biology and biotechnology under the supervision of **Mr. Eeshan Kalita** assistant professor, Department of molecular biology and biotechnology, Tezpur University, Napaam

Date: 31/5/10

A handwritten signature in cursive script, appearing to read 'A. K. Mukherjee'.

CERTIFICATE BY THE SUPERVISOR

This is to certify that the project report entitled “*A Greener approach for the synthesis of FePt contrast agent and its relative biocompatibility*” submitted to the Department of Molecular Biology and Biotechnology, in partial fulfillment for the degree of Master of Science in Molecular Biology and Biotechnology, is a compilation of original works carried out by **Mr. Md.Minhaj Ansari** in the department, under my supervision and guidance. During the project I found him to be a sincere, hard working and obedient student.

I wish him all success in life.

ACKNOWLEDGEMENT

It gives me immense pleasure to express my deep sense of gratitude to Mr. Eeshan Kalita, Assistant Professor, Department of Molecular Biology and Biotechnology, Tezpur University, Assam, for his valuable guidance and never-ceasing words of encouragement and imbining within me a sense of self confidence. Sharing a personal bond and a special rapport with him, his guidance to set focused objectives and their realization by channeling man and material resources would be a gift to me.

My heartfelt thanks are due to all the faculty members of the Department of Molecular Biology and Biotechnology, Tezpur University, Assam for their encouragement and support.

Special thanks to Dr. P. Deb, Associate Professor, Department of Physics, Tezpur University, Assam for helping me in the crucial aspects of nanomaterial synthesis and characterization.

Further, I would like to thank Mr. Ranjan Dutta Kalita, Mr. Jyoti Prasad Saikia, Mr. Sudhir Kumar Rai, Ms Neelakshi Barua and all other research scholars of the Department of Molecular Biology and Biotechnology for their constant suggestions and unconditional support. This will be personally cherished forever.

Thanks to shantasreee Sharma biswas and all my classmates for their support and encouragement during the six month long endeavor in the lab, constant discussions with Mrs.Madhulekha Gogoi,Mr.Deepak kumar jha research scholars Department of Physics were helpful in many crucial aspects. Regards to Mr.rittik lahkar, student, Department of Physics for helping me throughout .

Finally, thanks to all those whom I have actually forgotten to enlist on this page .

Last but not least, I would like to express my gratitude to my parents, brother and sister for their source of encouragement. I dedicated this work to all of them.
