ACKNOWLEDGEMENT

At the very outset of writing this dissertation I would like to owe my gratitude to the Vice-Chancellor of Tezpur University, Prof. Mihir Kanti Choudhury for providing necessary facilities in the University Campus for successful completion of my project work.

I express my gratitude to Professor Bolin Kr. Konwar, Dean, School of Science and Technology, Tezpur University for his generosity. I would like to acknowledge Professor Ashish Kr. Mukherjee, Head of the Dept. of Molecular Biology and Biotechnology for allowing me to carry out my project work in this department and for his kind support.

I am deeply indebted to Asst. Professor and my supervisor Dr. Suvendra Kr. Ray, Dept. Of Molecular Biology and Biotechnology, who relentlessly guided me throughout my work. His inspiring words and continuous assistance made my work quiet easier. Also, his thought provoking advices and moral support gave me strength to complete my work successfully.

I would like to thank all the staff members of Dept. of Molecular Biology and Biotechnology for being supportive.

I will be failing my duty if I do not thank Mr. Rahul Kumar , Miss Rnjita Devi, Mr. Viveeyan Saikia, Miss Kalpana Sagar, Research scholar, Dept. of Molecular Biology and Biotechnology for his kind support throughout my work.

Special thanks also to my dear class-mates for their kind cooperation and timely help.

Lastly I dedicate this work to my beloved parents and my family.

DEDICATION

*This Project report is dedicated to my parents.
Without their support, wisdom, patience and guidance,
I would not have the goals I have to strive and be the
best to reach my dreams !*
