ACKNOWLEDGEMENTS

The project report remains incomplete without forwarding my thanks and gratitude to everyone who have in one way or the other helped me in my project work. With great privilege, at first I would like to thank my supervisor Dr. S.Baruah, Associate Proffesor and HOD for her constant guidance, encouragement, support and patience during the tenure of my M.Sc IVth semester project work. Her passion for research together with scientific reasoning has been a source of inspiration to me.

I would also like to acknowledge the other faculty members and staff members for their support and for providing the facilities for my project work.

My heartfelt thanks goes to Dr. Sanjib Kakoty of AMC, Dibrugarh and the staff persons as well as the study participants for their help in the study.

Finally, I would like to offer my thanks to all my labmates for their support and encouragement during my project work. I would specially like to thank Miss Ankita Borah and all my other classmates for her valuable help and support all throughout the tenure of my project. I would also like to thank Miss Sonia Lourembam ,Miss Clara E. Sawian, Mrs.Saswati K. Deka, Mr. Anupam Dutta and Miss Anusree Mahanta for their constant support and help.

A very special thanks to my friends Mrinmoyee Datta, Shatabdi Bhattacharjee, Vanlalrjnchhani and Chenole Keppen who have always been there to help and support me in all my endeavors.

I would extend a bouquet of thanks and gratitude to my parents and grandparents for their blessings and constant support.

And, lastly, I thank all those whom I have forgotten to mention in this page.
