Roll No: MBM09005

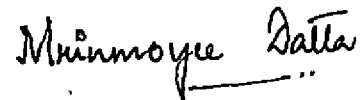

ACKNOWLEDGEMENT

My efforts throughout the preparation of this report were supported by many people directly or indirectly, and I would like to take this opportunity to thank them for their guidance.

At the very beginning, I would like to express my heartfelt gratitude towards my supervisor Professor A. K. Buragohain Sir, Dept. of MBBT, Tezpur University, for his entire support and co-operation during the course of my project. I would also like to thank Dr. S. Baruah, HOD, Dept. of MBBT and all other faculty members for all their guidance and help. I like to thank Director Dr.J.Mahanta, RMRC (Dibrugarh) and Miss Rekha Devi (scientist) for giving me the facility to do the *M.Tb* work.

I would like to extend my gratitude to Mr. Ranjan Dutta Kalita, Ms Nilakshi Barua, Ms Lipika Aidew, research scholars, Dept Of Molecular Biology and Biotechnology, Tezpur University without whose support, the experimental work would have been incomplete.

I would like to extend my gratitude to all the Research Scholars, our Mahi of Subansiri Women's Hostel, all my friends and my parents for their support and guidance throughout the project

(Mrinmoyee Datta)
