ACKNOWLEDGEMENTS

The project report remains incomplete without forwarding my thanks and gratitude to everyone who have in one way or the other helped me in my project work.

My heartfelt thanks are for Dr. S. Baruah, Associate Professor and Head, Department of Molecular Biology and Biotechnology, for accepting me as a M.Sc. project student under her guidance. It was her consistence guidance and support through the the project work that this project could be accomplished.

I would like to acknowledge the faculty and staff members of the Department of Molecular Biology and Biotechnology, Tezpur University for their support.

Department of Biotechnology (DBT) for providing necessary facilities and funding for the requirement of my MSc course and project work.

My heartfelt thanks go to the staff of Assam Medical College (AMC), Dibrugarh as well as the participants for their help in the study.

My whole-hearted thanks to Miss Anusree Mahanta and Mr. Anupam Dutta did not just help me learn the various techniques and the finer details of my work, but their help continued till the project compilation and they were always there with inspiring words and support. I would also like to thank Mr. Arunbha Banerjee, Miss Shreemoyee, Clara E. Sawian and Ms. Saswati K. Dea for their patience in guiding me and encouragement. I also would like to thank Mr. Ajay Manhar who helped me in microbiological lab work.

Thanks to my hard working, co-operating lab-mate and project partner, Mr. Niraj Kumar Sonkar and Miss Mayurakhi Borpujari and also to all my classmates for their support., I thank all those whom I have forgotten to mention in this page.

And, lastly but above all I thank my parents for their never-ending help and support.
