ACKNOWLEDGEMENT

This gives me immense pleasure to acknowledge the valuable contribution offered to me by my Supervisor Dr. Anupam Nath Jha, Assistant Professor, Department of Molecular Biology and Biotechnology, Tezpur University, Tezpur, Assam, for his continuous guidance and encouragement throughout the period of the project. His meticulous ideas and patience has helped me bring the best out of me.

I am grateful to Dr. Sashi Baruah, HoD, Department of Molecular Biology and Biotechnology, Tezpur University, Tezpur, Assam for providing me support and facilities required for the project work. I am also thankful to all the faculty members of Department of Molecular Biology and Biotechnology.

I gratefully acknowledge the active co-operation, affection and encouragement which I got from my parents and Dr Vikash Singh.

I would also like to thank Pradeep Salam, Abhishek Hans and Kalpana didi, research scholar MBBT for their help and support.

I would also like to thank Pranjal Pratim Das and all my class-mates for the help and support I received during the course of the project work.
