ACKNOWLEDGEMENT

First and foremost I would like to express my deepest gratitude to my supervisor Dr. A.K. Buragohain for his guidance, his ideas, his patience and his understanding throughout the course of our project work.

I would like to thank the Head of the Department Prof. B.K. Konwar for his support in everything that we required.

My gratitude also goes to Dr. S.K. Ray for all sorts of critical analysis which would have not been possible without him.

Heartiest thanks go to my project partner Mr. Vijay Kumar Mishra for his constant support and encouragement.

Last but not the least I thank my family for their constant source of encouragement.

(Rachna Goswami)
