
CHARACTERIZATION OF α -Synuclein PROTEIN AGGREGATION PATHWAY USING COMPUTATIONAL TECHNIQUES

A dissertation submitted for partial fulfillment of the degree of

MASTER OF SCIENCE

IN

Molecular Biology and Biotechnology (2012-2014)

Submitted by

Prakash Konwar

MBM 12004

M.Sc. IV Semester

Under the supervision of

Dr. M.Venkata Satish Kumar

Assistant professor

Department of Molecular Biology & Biotechnology

Tezpur University, Tezpur

Sonitpur-784028 Assam

Duration: January-May 2014
