

# **Cloning and expression of the mycobacterial thymidylate synthase complementing protein gene**

**A dissertation submitted as a partial fulfillment for the award of degree of**

**Master of Science**

**In**

**Molecular Biology and Biotechnology**

**(2011-2013)**

**Submitted by:**

**Anandita Basu**

**MSc. 4<sup>th</sup> Semester, Roll No MBM11018**

**Department of Molecular Biology and Biotechnology**

**Tezpur University**

**Under the supervision of**

**Professor A. K. Buragohain**

**Department of Molecular Biology and Biotechnology**

**Tezpur University**

**Tezpur- 784028, Assam**

**Duration of Project: January-May 2013**
