ACKNOWLEDGEMENT

Taking the opportunity of this page, I would like to express my sincere gratitude to all those who have directly or indirectly helped me in the successful completion of my project.

First of all I am thankful to the Almighty God for successful completion of my project.

Nextly, I would like to thank my guide Dr. (Mrs.) S. Baruah, reader, Department of Molecular Biology and Biotechnology, Tezpur University, Tezpur, Assam, for her continuous guidance and encouragement throughout this period. Her patience and punctuality has inspired me to work hard.

I am grateful to Prof. B.K. Konwar, Head, Department of Molecular Biology and Biotechnology for providing me support throughout my project work.

I am thankful to Prof. N. Islam, Head, Department of Chemical Sciences for her support.

I am also thankful to Dr. A.K. Buragohain, Reader, Dr. A.K. Mukherji, Reader, Dr. A. M. Ramteke, Lecturer and Dr. S.K. Ray, Lecturer, Department of Molecular Biology and Biotechnology for their useful suggestions.

I would like to express my special gratitude to Mr. M. Mandal, Lecturer, Department of Molecular Biology and Biotechnology for his continuous support and suggestions.

My heartiest thanks go to Mr. Diganta Kalita, Research Scholar, Department of Chemical Sciences, Ms Clara Ermine Sawian and Ms Sonia Lourebam, Department of MBBT, Tezpur University for their constant support and suggestions throughout the project work.

I would like to thank Ashok, my project partner whose co-operation has made it possible for completion of the project on time.

I would also like to thank all my classmates and the Staff, Dept. of MBBT for help and support I received from them.

Last but not the least, I would like to express my heartfelt gratitude to my family members who have been a source of endless encouragement to me.

Diganta Baishya
