Acknowledgement

“The Satisfaction and Euphoria that accompanies the successful completion of any work would be incomplete unless we mention the names of the people who made it possible, whose guidance and encouragement served as a beacon and crowned our effort with success”. We would like to extend our heart-felt gratitude to those without whose help and guidance; our project could not have attained its final form.

We consider it a great honor to express our gratitude to all those who have guided us throughout this project until its completion.

Firstly, we thank **Dr. Utpal Sharmah**, HOD of CSE department for providing us the opportunity to go to Bangalore and undertake the project. It's him for whom we have got the opportunity to know the real software world and have got the practical experience of working in a company.

Next we would like to thank **Mr. Satish Kota**, Managing Director, Heurion Consulting Pvt. Ltd, Bangalore for having permitted us to undertake project work in Heurion Consulting and providing us with his precious time and valuable guidance at all stages during the period of project work.

We would like to thank **Mr. Rajiv Goswami**, System Analyst from department of CSE, for providing us with his precious time and valuable guidance at all stages during of the project work.

We express our gratitude to **all the staff of** Heurion Consulting Pvt Ltd, Bangalore for helping us at various stages during the period of project work

At last but not the least we take the opportunity to thank our family members for their endless support and co-operation.

Sandeep Chandra Sharmah (CSM08018)

Amit Kr Mandal(CSM08024)

Shibani Talukdar(CSM08045)
